Visayas State University

Visca, Brgy. Pangasugan,

Baybay City, Leyte, 6521

Dear President Yepes,

I am writing to express my interest in the part-time faculty position at the Department of Economics at VSU, as advertised on the university website. With a strong academic background and teaching experience in economics, I am eager to contribute to your institution's commitment to academic excellence and student development.

I am a graduate of VSU in 2015, where I finished my bachelor's degree. In 2016, I was able to receive a scholarship from the Commission on Higher Education to pursue graduate studies in economics at the University of the Philippines – Los Banos. Over the course of my career, I have developed a passion for teaching and mentoring students. From 2019 to 2024, I taught at VSU various courses in economics and data analysis, where I consistently employed active learning strategies to engage students and foster critical thinking.

Beyond teaching, I have been involved in research with projects with the Economy and Environment Partnership for Southeast Asia (EEPSEA) and the Australian Centre for International Agricultural Research (ACIAR).

I personally value collaboration and continuous learning; my experience in teaching and mentoring students makes me confident in my ability to fulfill the responsibilities of this position.

I have attached my resume and other required documents for your review. I am available at your convenience for an interview and can be reached via 09317285032 or my email karljohngalvez31@gmail.com. Thank you for considering my application. I look forward to the opportunity to work again at VSU.

Sincerely,

KARL JOHN A. GALVEZ
