AL FRANJON M. VILLAROYA

Head, Department of Philosophy and Social Sciences

Visayas State University

Visca, Baybay City, Leyte

Dear **Mr. Villaroya**,

I hope this message reaches you well. I am writing this letter with the intent of applying as a part-time instructor in your ever-dynamic and competent department. As a fresh Magna Cum Laude graduate of Bachelor of Secondary Education major in Social Studies from Southern Leyte State University – Tomas Oppus, I bring forth innovative ideas that uphold and substantially contribute to the quality of instruction of your beloved institution.

I am a person of undying passion, commitment, and drive with an utmost willingness to learn and expand my horizons. This sense of drive and commitment pushed me to reach a higher plateau in my career, which was being one of the student teachers under a three-month Student Internship Abroad Program (SIAP) at Tra Vinh University, Vietnam where I was assigned at Victory Informatics Foreign Language Center. Further, a research paper—in which I am the principal author—titled “Wikang Bahaghari: Analysis of the Contemporary Visayan Gay Lingo” has been accepted for publication. This is a testament to my dedication to continuous learning and growth. My education and training honed my pedagogical skills and equipped me with the skills necessary to become a competent educator.

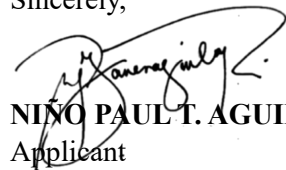

I am looking forward to being a part of your faculty for I truly believe that it is an avenue of growth for my professional self and will cultivate me to become an intellectual who inspires the youth and leaves an indelible mark on society. I am committed to embodying the values and philosophy of Visayas State University and trust this institution to tap my utmost potential and unleash my talents.

As of this moment, I am still about to complete my internship journey at Victory Informatics Foreign Language Center, Tra Vinh University, Vietnam, which will culminate on the 15th of July, 2024. With this, my Transcript of Records and Diploma are not yet retrieved and I am still in the process of acquiring these documents as they are essential to this application. Moreover, the present status of our research manuscript is Formalities Pending because we are still working on paying the publishing fee.

I am hoping that my application will be considered and I am enthusiastic to speak with you as time allows.

Thank you and more power!

Sincerely,

NIÑO PAUL T. AGUILAR
