Vision

CCL Centrex is a highly reliable and progressive school, in partnership with supportive and empathic stakeholders, work together in developing value-driven, excellently balanced and future-ready citizens.

Mission

We are dedicated to instilling a love of learning in every child and preparing them to be caring citizens. We aim to create a safe and orderly school climate, as well as relevant learning opportunities for students - both inside and outside the classroom - that help them develop knowledge, critical thinking, and character in close collaboration with families, the community, and stakeholders, led by an empathic leader.

School Philosophy

We light the fire and nurture the gifts of every child so that he can find his voice and make a major contribution to his family, country, and the world in the future. Guided by our vision, we put our hearts together in every action with compassion.
