Monitoring Initial Assessment and Discussion of TPES result with the concerned faculty member who got "satisfactory" rating	The department head conducted one-on-one meeting with the faculty concerned to discuss the evaluation results and understand their perspective on their performance.				Conducted periodic class observation.
	Asked the faculty member to conduct a self-assessment of their teaching performance. The faculty was asked to reflect on his teaching practices, identify areas where he feel confident, and areas he believes they need improvement.				In collaboration with the concerned faculty member and the department head, key focus areas for improvement were identified, including pedagogical techniques, student interaction, assessment methods, and content knowledge.

Note: Please indicate the date in the appropriate box when the monitoring was conducted.
