## EMPLOYEE DEVELOPMENT PLAN

Name of Employee: NORMA VILLAS
Performance Rating: <u>OUTSTANDING</u>

Aim: To maximize the productivity potential of Registrar's Office Staff

Proposed Interventions to Improve Performance:

Date: June 4, 2018 Target Date: August 10, 2018

#### First Step:

Gather all the staff for Staff meeting to have a collective assessment on how far have they gone in terms of their respective individual target during the Second Semester 2017-18 until the enrollment for First Semester 2018-19. Informing the whole staff that starting enrollment for 1<sup>st</sup> Sem we will partially be using and migrating to Cumulus One program, the training they have attended can greatly be applied to the implementation of the new system.

#### Result:

Identification, classification of documents received from different sources: student credentials, from different colleges and universities (local and international), employment verification from companies, and from different offices within the university and have it filed in its corresponding folders

Date: October 1, 2018 Target Date: December 7, 2018

#### Next Step:

Individual consultation of staff in my office in order to come up with a positive assessment on the duties and responsibilities that are assigned to her. If ever there are things to be improved she will be aware so that she will be able to make the necessary action .

Outcome: Identification and classification of document received from different sources and make the filing system easier, efficient and systematic for easy retrieval when needed.

#### Final Step/Recommendation:

Since records keeping and management requires constant training to keep abreast on the latest professional practice of managing the records of the Registrar's Office, I would suggest that some staff of the office should be given the chance to attend training of this kind.
