## EMPLOYEE DEVELOPMENT PLAN

Name of Employee: EUSEBIO OLLERAS

Performance Rating: OUTSTANDING

Aim: To maximize productivity potential of Registrar's Office Staff

Proposed Interventions to Improve Performance:

Date: June 4, 2018

Target Date : August 10, 2018

First Step:

Gather all the staff for Staff meeting to have a collective assessment on how far have they gone in terms of their respective individual target during the Second Semester 2018-19 until the enrollment for First Semester 2019-20. Informing the whole staff that starting enrollment for 1<sup>st</sup> Sem we will be using and migrating to Cumulus One program, and putting into effect **On-Line Enrollment**, the training they have attended can greatly be applied to the implementation of the new system.

Result:

Evaluation of student records in BSA,BAS,BSBioTech, BSDC has been completed few weeks before enrollment at least in the preparation of enrollment forms were also completed just in time before enrollment. With the implementation of the Cumulus One, it has somehow make some improvement in our computerization program.

Date: October 1, 2018

Target Date: December 7, 2018

Next Step:

Individual consultation of staff in my office in order to come up with a positive assessment on the duties and responsibilities that are assigned to him. If ever there are things to be improved he will be aware so that he will be able to make the necessary action.

Outcome: Evaluation and updating of student records, preparation of enrollment forms are done right on time. . . No enrollment forms will be released not unless there was a thorough checking of student records for enrollment and graduation purposes.

Final Step/Recommendation:

If we have to follow the standard number of student that an evaluator have to handle which is 1 evaluator for every 500 students, the actual number of students that Mr. Olleras is handling is about 1,000 students which is double to what is required. During the manpower review/consultation I strongly suggest that additional manpower should be added to the Registrar's Office so that the pressure on Mr. Olleras is just too much, just like other evaluators who are also handling more than 1,000 students. Much more so with our enrollment figure that has dramatically increased due to the entry of senior high graduates putting more pressure on the evaluators load wherein more than 2,000 new students has been added.
