EMPLOYEE DEVELOPMENT PLAN

Name of Employee: Gregorio D. Daga Jr.

Performance Rating:

Aim: To assist and help the project leader on the development of new cassava varieties

Propose Interventions to Improve Performance:

Date: January 2019 Target Date: June 2019

First Step

- Coordination with project leader for specific tasks and project activities
- Selection of cassava varieties through evaluation specifically those with high dry matter content, resistant to pest and diseases, good sensory quality and high yield potentials
- Meeting with field workers regarding maintenance and propagation of cassava planting materials to meet the demands of farmers and clients.
- Constant supervision on the re-establishment and maintenance of breeding nursery and cassava trails
- Prompt preparation of purchase requests of office and field supplies needed for the project as well as reports
- Observation of field worker safety and quality at work

Result:

- By the end of second quarter, breeding nursey, cassava trials and propagation plot of cassava varieties were established.
- Catered the needs and concerns of walk-in clients regarding cassava planting materials to farmers and other agencies, including the research community in the regions.

Date: July 2019

Next Step:

Target Date: December 2019

Signature

- Continue in the evaluation of cassava genotypes and maintenance of cassava nursery through weeding, fertilizer application, irrigating and other maintenance activities
- Continue planting the new set of selected cassava seeds as a result of breeding.

Outcome:

Served SUC's, LGU's, government agencies, NGOs, individual farmers and farmer's
association including research community of VSU for the need of good quality corn and
planting materials.

Final Step/recommendation:

• To maintain the production of good quality cassava planting materials
