President

Through: Ms. Louella C. Ampac  
Director of Finance

Dear Dr. Yepes,

Greetings. I would like to respectfully request for monetization of my vacation leave credits for twenty (20) days for the purpose of using the money for my continued tongue cancer treatment. I have just concluded by chemotherapy and radiation therapy sessions a few days ago. Yet, my doctor advised me to be faithful to my follow up check-ups and follow up laboratories for the rest of the year as well as take diligently my medications to ensure that efficacy of the treatment. With this, I am making this request for monetization to finance these laboratory requirements, check-ups and medications which are quite expensive. Thank you very much.

Sincerely yours,

  
Guiraldo C. Fernandez, Jr.
