Vice-President for Academic Affairs

Dear Dr. Tulin:

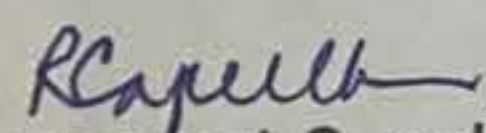

Greetings of peace!

I am going to Cebu City and Mactan-Cebu on March 18 to 20, 2023 to attend the launching of the book *Escaño: A Family Portrait* written by Resil B. Mojares conferred the country's highest recognition for the arts, as he was named the 2018 National Artist for Literature for his significant contributions to the development of Philippine Literature. This is also a large gathering of the Escaño clan of which I am a part. Their family's legacy is one of unique historical significance among Cebu and Leyte's old Spanish-Filipino clans, whose members have become past and present leaders of local industries throughout the Philippines and abroad. I will file a leave on these three dates.

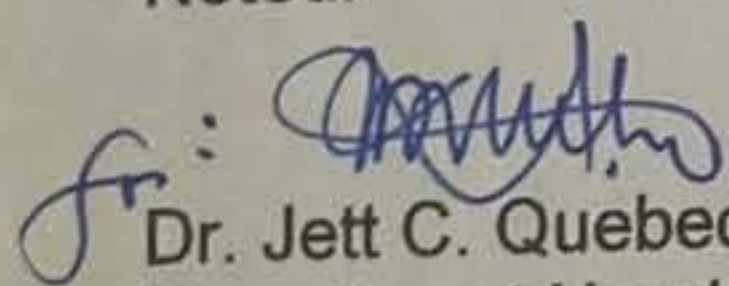

I will charge this to Educational Tour.

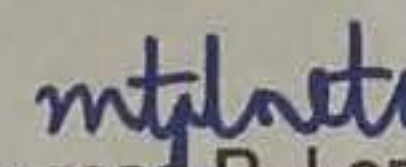

I hope for your consideration. Thank you, and God bless, too!

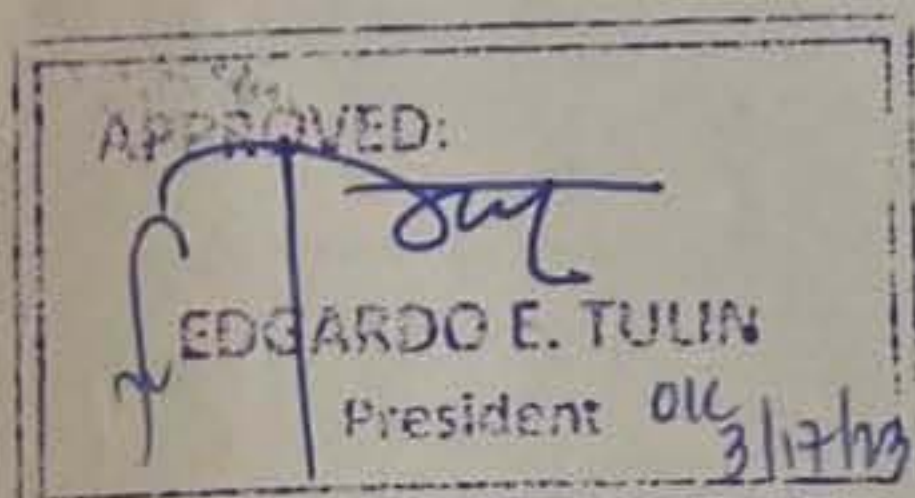

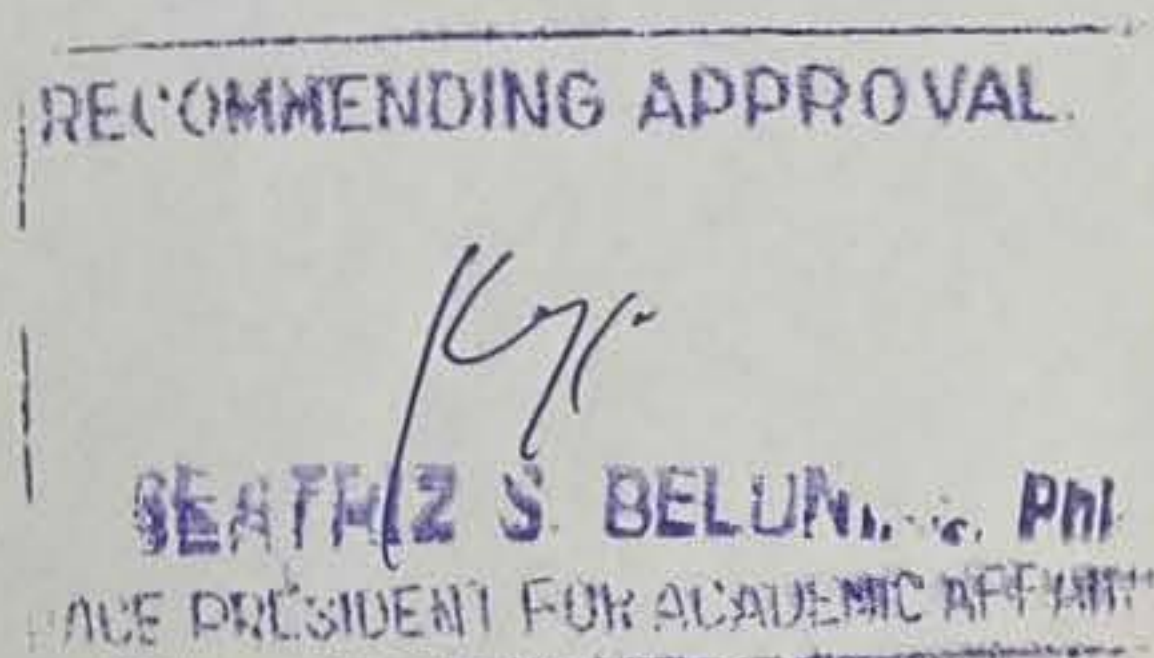

Sincerely,

Rose Pascual-Capulla
