Dr. Prose Ivy G. Yepes

Thru: **Dr. Rotacio S. Gravoso**
Vice-President for Academic Affairs

Dear Dr. Yepes;

Greetings!

I am writing to request approval to avail the 5-day Educational Tour in Lombok Island, Indonesia, from April 29 to May 6, 2025, and seek authorization to travel. While this trip is primarily personal, aimed at enhancing my well-being, I also see it as a valuable opportunity to further my professional development as an educator.

I have long been interested in the intersection of education and culture. This trip will allow me to immerse myself in the Sasak community's cultural heritage and observe their traditional educational practices. I aim to gain insights into how these practices integrate with contemporary educational systems, considering Indonesia's educational challenges, as they have consistently ranked lower in international assessments like the PISA. Understanding the root causes behind these results, as well as the efforts being made to address them, would offer me a broader perspective on global educational practices and challenges.

I am confident that this experience will not only benefit my personal growth but will also enhance my professional contributions to our educational community.

Thank you very much for your support and consideration. More power!

Very respectfully yours,

JOY ANN A. CAÑETE
