Dear **Dr. Yepes:**

Good day!

I am writing to respectfully request the monetization of my accumulated leave credits due to an urgent medical situation involving my daughter. She is currently unwell and requires general check-up, laboratory tests, and immediate medical attention.

I would like to ask your permission to monetize 25 days of my leave credits to help cover the costs of her medical care. This financial support is essential this time to ensure that she receives the necessary medical treatment.

I hope for your favorable action on my request. Thank you very much.

Very truly yours,
