R E: Ad Hoc Committee to Revise the Existing ViSCA Code

With the undersigned as Chairperson and Prof. Daniel M. Tadtud, Jr. and Dr. Lourdes B. Cano as Co-Chairpersons, please constitute yourselves into a committee to review/revise the existing ViSCA Code and finally come up with a final version of the VSU Code for submission to the UADCO and later to the Board of Regents. We need to have the approved VSU Code before the AACUP program accreditation.

It is suggested for the committee to divide the group into their respective sectoral representations to come up with their initial suggestion before the committee acts on every suggested revision en banc per section of the Code. To guide the review, your output should indicate the existing provisions in the left side of the page and the suggested revised portion highlighting the specific revisions in the right side.

Please submit your draft revised VSU Code to this office not later than April 30, 2013.

Please be guided accordingly.

JOSE L. BACUSMO
President
