MEMORANDUM NO. 643

Series of 2023

T O: Selected Administrators of VSU Main Campus

R E: Interview Schedule for the Green University Research Project

This is to inform you that as part of a research project on **Benchmarking and Capacity Needs Assessment Towards Developing VSU into a National Green University**, you have been purposively chosen to take part in a qualitative in-depth interview that would document and illuminate the constructs of VSU administrators into creating a sustainable and an eco-friendly university in Eastern Visayas.

This study aims to determine the current practices in terms of sustainability and environmental conservation efforts, and the aspirations of university administrators as to what constitutes a green university.

In line with this, we are hereby requesting you to be available on the dates below so that our assigned researchers can proceed to your office and conduct an in-depth interview:
