**MEMORANDUM NO. 307**

Series of 2016

**T O: All Deans and Department Heads (Main and Satellite Campuses)**

**R E: Graduates Occupying Key Role/Positions in Government/Non-government Organizations/Institutions**

During accreditation and evaluation, one of the aspects evaluated is the whereabouts of our graduates, who are considered as the "OUTCOME" of our teaching and learning process. Particularly important are those who are successful in their profession and are occupying key role in their work environment.

In this connection, please provide the Quality Assurance Center (QAC) a list of your successful graduates (undergraduate and graduate levels), with their names, current position (or his/her role in the organization), office/agency address, degree/s earned at ViSCA/LSU/VSU, email address and mobile phone no (if available). Please submit the list to QAC on or before the end of December 2016. The document will be used in the CHED – ISA evaluation, AACUP Program and Institutional accreditation and in other Quality Assurance activities of the university.

Your usual cooperation is highly appreciated.
