SUBJECT: UNIVERSITY STRATEGIC PLAN FORUM (2011-2015)

Congratulations for the successful and fruitful 1st round of discussions on the University Strategic Plan for 2011-2015 held on May 6, 2010. A lot of ideas were tackled by the people concerned from the different departments and centers of the university. I hope you will show similar enthusiasm during the next round of polishing the University StratPlan.

In view of this, you are again required to attend a whole day University Strategic Plan Forum on **May 17, 2010 at CCE 1st Floor**. The program starts at exactly 8:00 AM. Food including snacks and lunch is prepared for all participants.

Attached is the proposed reorganization of colleges and departments with the latest revisions made during the 1st round of the University StratPlan Workshop held on May 6, 2010. Please consult with your constituents for some feedback. The reorganization of units will be a critical discussion focus point in the forum.

Your wholehearted participation in this endeavor is very much appreciated.

JOSE L. BACUSMO
 President
