## Office of the President

25 September 2014

### MEMORANDUM CIRCULAR NO. 46

Series of 2014

**T O: All VSU Constituents**  
**R E: Carless/Motorless Friday**

As part of the Environmental Awareness month celebration, the Terrestrial and Aquatic Restorations by Students Immersed in Environmental Reforms (TARSIER) has lined up different activities that are both interactive and essential in achieving the university's aspirations of environmental sustainability. One of the activities is the VSU Earth Day which will be observed on **Friday, Sept. 26, 2014**. In this connection, all motorized vehicles are barred from entering the campus from **9:00 a.m. – 11:00 a.m. and 2:00 p.m. – 4:00 p.m.** Except for the campus tour related to the DCHM activity and emergency situations, all VSU constituents are requested to walk or ride on their bicycles during this time.

For information, guidance and compliance.

  
**EDGARDO E. TULIN**  
Officer-in-Charge

## UNIVERSITY SUPREME STUDENT COUNCIL

Visayas State University  
Visca, Baybay City, Leyte, 6521-A

September 17, 2014

Dr. Jose L. Bacusmo  
President  
Visayas State University

Dear Sir:

The Terrestrial and Aquatic Restorations by Students Immersed in Environmental Reforms (TARSIER) in partnership with the University Supreme Student Council (USSC) aim to make their activity for the month of September possible. Since September is said to be the Environmental Awareness month, the TARSIER has lined up activities that are both interactive and essential in rekindling the passion and the love of nature and the environment of the VSU students, faculty, and staff.

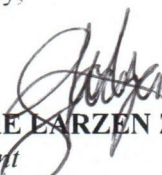

The activities of the month are the VSU Earth Day and the Gandang Basura Art Exhibit. The VSU Earth Day shall be on September 26, 2014 and on this very day, all motorized vehicles will not be allowed to enter the vicinity of the university so as to promote the conservation of energy and the lessening air pollution. On the other hand, the Gandang Basura Art Exhibit shall be a competition for VSU students to harness their creativity through creating artworks using recyclable materials and also to reduce the amount of disposed plastics by converting non-biodegradable materials into usable materials.

In line with this Sir, we come to you to ask for support to make the activity possible in the form of giving your approval of the VSU Earth Day so that an official memo shall be released regarding the prohibition of all motorized vehicles to enter the VSU vicinity on September 26, 2014. Except for emergencies or for security personnel.

Trust that this activity proposed by the TARSIER as supported by the USSC shall benefit not only the VSU Students but will help ensure one of the university's aspirations of environmental sustainability. We are counting on your support for the success of this activity.

Thank you and God Bless!

Sincerely,

  
**CLAIRE LARZEN Z. TELLO**  
President  
University Supreme Student Council

Recommending Approval:

  
for: **PROF. MANOLO B. LORETO, JR.**  
Dean of Students  
9/18/14

  
**DR. EDGARDO E. TULIN**  
VP for Instruction
