**R E:** Submission of Detailed Plans for the Science Innovation Park

As agreed during our meeting on August 9, 2023 at the VSU Manila Office, you are hereby directed to submit to this office the detailed plans and cost estimates of the different infrastructures/buildings included in the proposal entitled "Establishment of a Science Innovation Park at VSU". We are very fortunate that VSU is one of the four (4) universities in the country identified by the Asian Development Bank (ADB) for possible proposal funding.

Kindly submit your outputs within the month of August as ADB requires the immediate submission of these documents.

This is for your appropriate action.
