R E: Participation to the HERDIN Plus Online Learning Program

The Philippine National Health Research System (PNHRS) through the Philippine Council for Health Research and Development (DOST-PCHRD), is implementing the HERDIN Plus online learning program. This program aims to provide online instruction for research institutions on how to manage and disseminate their research outputs using the HERDIN Plus System. Part of the program is the online training activity starting in September 2020. Target participants include researchers, research staff, and ICT staff, among others.

In this light, you are hereby nominated as participants and shall represent the University in the aforementioned training program. Below are the requirements for the online training:

- Internet connection, laptop, research outputs and records
- Proposed platform: Zoom or Google Meet
- Venue: Own workstation, function room is not required
- Duration: Maximum of 5 hours per institution

Please constitute yourselves into a team and provide PNHRS your preferred schedule of the training not later than August 14, 2020. Attached are the documents for your reference.

Dear Dr. Tulin,

The Philippine National Health Research System (PNHRS) through the Philippine Council for Health Research and Development (DOST-PCHRD), is implementing the HERDIN Plus online learning Program. This program aims to provide online instruction for research institutions on how to manage and disseminate their research outputs using the HERDIN Plus System. Part of the program is an online training activity starting September 2020.

Below are the requirements for the online training:

- Internet Connection, Laptop, research outputs and records
- Proposed platform: Zoom or Google Meet
- Venue: Own workstation, function room is not required
- Duration: Maximum of 5 hours per institution

Target Participants

- Researchers, research office staff, ICT and library staff
- Preferred number of participants per institution: 20

Relative hereto, we would like to request from your institution twenty (20) participants to attend the said training. We would appreciate receiving their names **on or before Monday, August 3, 2020**. For your inquiries you may contact EVHRDC Staff, Mr. Jake Margallo at 0997-368-3541 or email him at evhealthresearch2018@gmail.com. I have attached the request letter from DOST-PCHRD for your pursual.

Thank you for your continued support to the Consortium.

Sincerely yours,

[Signature]

Attention: Mr. Jeffrey P. Hinampas, Consortium Staff, EVHRDC

Dear **Dr. Molon**,

The Philippine National Health Research System (PNHRS) through the Philippine Council for Health Research and Development (DOST-PCHRD), is implementing the **HERDIN Plus online learning program**. This program aims to provide online instruction for research institutions on how to manage and disseminate their research outputs using the HERDIN Plus System.

This is a follow through activity to the HERDIN Plus orientation conducted last year during your planning activity. Part of the program is an online training activity starting September 2020. At the end of the training, research institutions are expected to consistently contribute their research outputs using the System.

Below are the requirements for the online training:

- Internet Connection, Laptop, research outputs and records
- Proposed platform: Zoom or Google meet
- Venue: Own workstation, function room is not required
- Duration: Maximum of 5 hours per institution

Target participants:

- Researchers, research office staff, ICT and library staff
- Preferred number of participants per institution: 20

We hope to receive your preferred schedule on or before August 14, 2020. This is a first come first serve online slot allocation.

Thank you in anticipation of your favorable reply. Our staff, Ms. Kristine Zamora (telephone number: 02-8837- 7534 loc 204, email: kmzamora@pchrd.dost.gov.ph) will coordinate with you regarding this matter.

Very truly yours,

JAIME C. MONTOYA, MD, MSc, PhD, CESO II
Executive Director, PCHRD
Lead Coordinator, PNHRS
