R E: Thesis Manuscripts

Rec'd by F.S. Pardo

I am authorizing you to sign thesis manuscripts in my behalf from April 3-April 5, 1986. During part of this period, I will be in Manila to attend a meeting of the Board of Trustees. To maintain continuity in finalizing manuscripts that you will start checking during my absence, may I suggest that you continue until the manuscripts are approved, if this can be done until April 5, 1986.

Thank you.
