MEMORANDUM CIRCULAR NO. 14

Series of 2012

T O: All Concerned

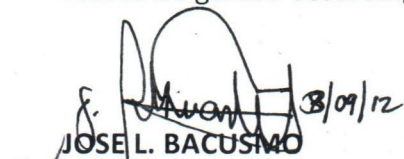

R E: Postponement of Level IV Accreditation

Please be informed that the schedule of the Level IV accreditation for the Agriculture and Education programs in both levels is moved to August 20-24 and August 27-31, 2012, respectively.

According to AACCUP Executive Director, Dr. Manuel T. Corpus, Level IV accreditation is very intensive and requires adequate documentary, physical and laboratory facilities preparation. Hence, a preliminary visit should be conducted first to determine and evaluate our readiness for the accreditation proper. The preliminary visit is tentatively scheduled on April 16 – 20, 2012 or right after the Holy Week. Also, AACCUP is still in the process of identifying highly qualified accreditors who will conduct the accreditation.

With the above developments, I hope that everything will be finished in time for the preliminary visit.

Please be guided accordingly.

JOSE L. BACUSMO
President
