R E: Guidelines for Loyalty Cash Bonus

With Prof. Villanueva as Chairman, please constitute yourselves into a committee that will set the guidelines for the implementation of the Loyalty Cash Bonus. Since this is a social legislation, please exert the utmost leniency so that a greater number of employees in the government service will be benefited. Your immediate action is enjoined so that the cash bonus can be given out soonest.

Your recommendation will be deliberated and approved by the President's Advisory Council.
