

21 November 2017

MEMORANDUM NO. 390
Series of 2017

T O: College Deans/Department Heads of the 8 Programs for Level III Phase 2 Accreditation

R E: Submission of Copies of Department/College Goals and Program Objectives to QAC

Although the AACUP Level III Phase 2 Accreditation of the 8 programs is postponed to January next year, we are still continuing our preparations for the accreditors' visit. We would like to finish printing the tarpaulins for the VMGOs, backdrops, and other signages before the end of this year.

In this regard, you are requested to submit to the Quality Assurance Center as soon as possible a copy of your department's goals and your program's objectives for layouting by the committee in-charge of the tarpaulin printing. Also, if you have not yet updated your Citizen's Charter to reflect the new Vision and Mission of the university, please submit a copy of it to QAC for layouting and printing in tarpaulin.

Your continued support is enjoined.

EDGARDO E. TULIN
President
