

1 August 1988

MEMORANDUM NO. 105
Series of 1988

T O: All Committee Chairmen and Members, The Faculty, Staff & Students

R E: ViSCA 64th Anniversary

Because of your unqualified support and cooperation, the 64th ViSCA Anniversary Celebration was a success. Although it fell on a weekend, there was a big turnout of faculty, staff and students who braved the heat during the Anniversary Parade.

The Farmers' Field Day was a big attraction. Participation by farmers, the private sector and government agencies had grown. The enthusiasm shown by the students during this occasion further reflected their active involvement in their school's activities. The students, through their student council, even took the leadership in sponsoring the ViSCA Anniversary Night. Likewise, the participation of ViSCA Faculty Reserve Officers and the student cadets in an Honor and Loyalty Program provided additional color to the Anniversary Celebration.

Overall, the celebration provided an occasion to reflect on some social and moral values unique in an academic setting. Together with your continuing support and cooperation, they shall provide strength and stability to our College.

M. R. VILLANUEVA
