R E: VSU Quality Manual with Document Reference No. QM-VSU-00 up to QM-VSU-0010 dated July 16, 2019

VSU is committed to continual improvement in its operations and processes within the organization. Recently, the university had developed a Quality Manual that describes the Quality Management System (QMS) which is aligned with the requirements of ISO 9001-2015. It contains the documented statements of the quality policy and quality objectives, standard procedures, policies and mechanisms in governance and operation of the university to be fully implemented to satisfy the needs of the clientele/stakeholders.

Henceforth, the VSU Quality Manual (Document References No. QM-VSU-00 up to QM-VSU-0010 dated July 16, 2019) shall be the latest version of the Manual. The Quality Assurance Office (QAC) will furnish a controlled copy of the manual to each unit.

Further, this Office exerts effort to retrieve the VSU Quality Manual approved by the Board of Regents per BOR Resolution No. 37 s. 2016 dated June 23, 2016 and hereby requests all concerned offices to return the material to the Office of the President.

For your information and compliance.
