Memorandum No. 6  
Series of 1996

To : Prof. Prudencio Marquez — *[Signature]*

SUBJECT : FACT FINDING COMMITTEE

I would request you to please remove my name from the Fact Finding Committee you created to investigate the complaint filed by Mr. Leonardo Goyo against Dr. Josef Margraf. I am making this request because I might be partial in the investigation inasmuch as I was the one who created the committee. I was also the one who requested the Security guards.

Attached, however, is a letter of Dr. Santiago declining his chairmanship of said committee. In view of this, you are hereby designated chairman of the above-mentioned committee vice Dr. Santiago. Please secure your copy of the necessary documents from him.

Please be guided accordingly.
