R E: Toxic Waste Management Committee

With Dr. Edgardo E. Tulin as Chairperson and the rest as members, please constitute yourselves into a committee to propose and implement plans and programs pertaining to the management of toxic wastes in the university.

Specifically, the committee is tasked to do the following:

1. Identification of toxic wastes derived from laboratories, physical plant office and other related activities in the campus;
2. Planning of toxic wastes segregation and collection;
3. Implementing policies and guidelines for toxic waste management in the university;
4. Recommend to the President investment requirement in the implementation of toxic waste management plans and programs; and
5. Oversee the implementation of toxic waste remediation and treatment.

The committee is expected to come up with the plans and programs relative to toxic waste management in the university, on or before the end of the year 2012.

Please be guided accordingly.

JOSE L. BACUSMO
President
