## Office of the President

20 November 2014

### MEMORANDUM CIRCULAR NO. 56

Series of 2014

**T O: All VSU Campus Residents**

**R E: Campus Cleanliness**

It was noted that there had been dengue cases in some areas of our campus, thus to control the spread of this infection, all VSU campus residents are urged to clean their surroundings and get rid of stagnant water or places where mosquitoes can breed, e.g. old tires, cans, flower pots that collect water. You are also encouraged to cut/prune banana plants and other host species to reduce the population of mosquito vector.

Also, this office is lifting the policy of no burning of trash and garbage for 7 days to enable our residents to dispose their garbage by burning.

For compliance.

  
**JOSE L. BACUSMO**  
President
