MEMORANDUM NO. 580

Series of 2021

**T O: All Vice-Presidents, Deans, Directors, Department/Unit Heads,
Faculty, Staff and Students**

**R E: Participation in the SUCs 2022 Quick Survey to promote voters registration
and education**

The Visayas State University as a higher education institution pursues activities responsive to the current social realities, in particular, the 2022 elections considering its huge relevance and significance to our country's development. The youth including our students have much to contribute to the country and we hope that registering and voting will be the start of a lifetime journey of involved and responsible citizenship.

One relevant activity is the conduct of a survey to understand the registration status and voting plan of the students and employees of VSU. This survey is important to an evidence-based planning for subsequent activities of the University to support its Voters Registration and Education Program. The Institute for Strategic Research and Development Studies (ISRDS) will spearhead this program.

In view of this, I am encouraging all faculty, staff, and students to participate in this quick survey which will run on September 9–15, 2021. Rest assured that your responses will be kept confidential and will be used for planning purposes only.

The online survey can be accessed through this Google Form link:

For your guidance and participation.
