RE: Review and Action on College of Nursing Concerns

**FROM: 
DR. PROSE IVY. G YEPES
University President**

DATE: May 22, 2024

The Office of the President has received a letter from the College of Nursing outlining several concerns that require immediate attention and resolution. These concerns are critical to maintaining and enhancing the quality of education and services provided by the College.

Please review the attached letter for detailed information on each concern. You are requested to provide your recommendations and/or appropriate actions to address these issues effectively.

For your information and usual support.
