R E: Environmental Awareness Month

In recognition of ViSCA's concern about the serious decline in the state of the environment, I hereby declare the month of September as the Environmental Awareness Month for ViSCA. All members of the community are requested to contribute to the national campaign to protect and preserve the environment. The Environmental Protection Movement is requested to design a program for the observance of the Environmental Awareness Month.

In consonance with this call for environmental protection, I hereby declare the ViSCA campus as a sanctuary for plants and wildlife. The existing prohibition on illegal cutting of trees and hunting on campus is reiterated.

Happy Environmental Awareness Month.
