MEMORANDUM CIRCULAR NO. 70
Series of 2019

T O: All Faculty and Staff of the Main Campus

R E: ISO 9001:2015 System Implementation

We are pleased to inform that for eight months we have been preparing the documents for ISO 9001:2015(QMS) certification initiative, and we are now ready to implement and roll them out.

Thus, effective **July 16, 2019**, the ISO 9001:2015 standard shall take effect in all departments/units/offices under the main campus. All activities, data, reports, and records in QAC and all other units starting this date shall be auditable and will be used as basis of issuance of ISO Certification by the Certifying Body.

Everyone is therefore encouraged to seriously follow our Quality Manual and System Procedures and to actively incorporate the ISO 9001:2015 standard in our day-to-day operations. The QAC will provide all units with the QMS Manual and all the ISO auditable procedures that are applicable to your units for reference and guidance as soon as all procedures are reproduced. Everyone should be on board this journey, embrace the procedures and be mindful of all the processes that each office can take part to carry out our vision and mission in adherence with our core values of excellence, truth, relevance and integrity.

We are looking forward for better quality services and processes in the months and years ahead as we make ISO standard part of VSU's culture.

Please guided accordingly.
