R E: Use of RDE Hall LED Wall

Please be informed that the use of the RDE Hall LED Wall shall be for calendared / official events of the University only. Students/department events or activities are still allowed to use the RDE Hall (subject to its availability) however, the use of the LED wall is highly discouraged.

This is to preserve the lifespan and functionality of the said equipment especially that there are many University official events in relation to the VSU Centennial celebration that requires the use of this equipment.

For your strict compliance.
