R E: SUC Levelling 2016

Please attend a meeting on **June 23, 2016, Thursday, at 9:00 AM, Office of the President**, to discuss about the new instrument for SUC Levelling (with Level V as the highest). Currently, we are classified as Level IV based on the old CHED instrument. However, the recently conducted Self-Survey by the University shows that VSU falls under Level III only. We lack supporting documents in four (4) Key Result Areas (KRAs) as follows:

Quality and Relevance of Instruction
Research Capability and Output
Services to the Community
Management of Resources

Your personal presence is highly appreciated.
