Among the Quality Assurance activities lined up this year is the conduct of a workshop in preparation for Level I and II AACCUP accreditation for some programs in VSU Isabel and VSU Tolosa. The 2-day workshop is scheduled on December 6 – 7, 2017 starting at 7:30 AM at the QAC Evaluation Room. This will be participated in by the Task Force/Committee members of the programs that will undergo the Levels I and 2 AACCUP accreditation in September 2018.

In connection with the workshop, you are requested to act as resource person on the specific area (please see above area assignment) to enlighten the participants regarding the benchmark information stated in the Program/Master Survey Instrument and to help them identify the possible documents for each statement.
