

31 August 2022

MEMORANDUM NO. 647
Series of 2022

T O: All Chancellors, College Deans, Department Heads, Directors, Faculty, and Students

R E: Amendment of OP Memo No. 530 series of 2022 re: Class Size for 2022 Midyear Classes

Please be informed that during the OVPAA Meeting with College Deans held August 19, 2022. It was agreed that all courses' **class size is reverted to 30** (lecture and laboratory).

However, some courses will be conducted through flexible learning (synchronous/asynchronous class) but term examinations will be face-to-face. As for the other courses/subjects, like Physical Education, major subjects, and laboratory classes will be done face-to-face.

Classes identified for flexible learning modality will have a room assignment as TBA.

This amendment is in response to classroom shortage, classroom utilization in terms of conflict of schedule, and more importantly social distancing.

Please be guided accordingly

EDGARDO E. TULIN
President
