DEPARTMENT HEADS

RE: MEDICAL, PHYSICAL AND DENTAL EXAMINATION FOR
STUDENTS

Starting 1st Semester SY 1999-2000, medical, physical and dental examination shall be a requirement for registration every academic term, including summer, both for new and old.

This is intended to:

1. reduce/minimize absences during classes due to illness, inability to cope with the strenuous physical and mental class requirements.
2. Minimize the spread of infectious diseases; and
3. Evaluate the general physical condition of all applicants for registration.

Please be guided accordingly.
