MEMORANDUM NO. 10

Series of 2014

TO : All VSU Security Force/Personnel

RE : Reminder on security measures

In view of the rampant stealing on campus, you are hereby reminded to dutifully check all outsider vehicles and individuals coming in and out of the campus. Moreover, all on-duty roving guards are required to patrol their respective areas of responsibilities every hour and apprehend all outsiders (including kids) without business in the university. They should be escorted to leave the campus immediately.

For your compliance.

JOSE L. BACUSMO
