MEMORANDUM NO. 43  
Series of 1986

T O: The Executive Committee and Faculty Members  
R E: Participation in the Commencement Exercises

As unanimously agreed among the members of the Executive Committee present during the EC meeting on March 20, 1986, all faculty members and members of the Executive Committee are **required** to participate in the graduation ceremonies of ViSCA, wearing their gowns, on April 6, 1986. It was argued that the affair is a very significant occasion for ViSCA. The presence of all instructors and professors shall serve as inspiration to the graduating students majority of whom we will see for the last time.

The graduation exercises shall proceed sometime in the morning of April 6, 1986 with the Minister of Agriculture, Minister Ramon Mitra, Jr. as our guest speaker. It will be quite interesting to know directly from him the government's policy in agriculture.

I would like to request the Executive Committee to help in entertaining our guests. They should be with us during the briefing with the Minister. In this connection, Drs. Vicente A. Quiton, Eliseo R. Ponce and E. N. Bernardo are assigned to give a briefing on our graduate, undergraduate and research and extension programs. Please prepare our materials and the exhibits for that occasion.
