MEMORANDUM No. 267
Series of 2017

T O: All VSU Faculty/Staff

R E: Use of your vsu.edu.ph Google for Education accounts

In the coming days, Visayas State University will be launching a communication platform that allows all faculty and staff to collaborate online. Memos, announcements, and other important content will be coursed through this platform.

In order to access this platform, all faculty and staff need to log in using their Google for Education accounts. For everyone's convenience, the VSU Web Team has reset the accounts of those who were not able to log in since 2017. Those who do not have a vsu.edu.ph email account, or have lost access, may email the Web Team through webteam@vsu.edu.ph so they could facilitate activating your account.

It has been this administration's policy that all communications sent and received in an official capacity should be done using a vsu.edu.ph email.

Thank you very much.
