R E: THE Impact Ranking Working Group

We are pleased that Visayas State University was ranked during the **Times Higher Education (THE) Impact Ranking 2022**, which shows that VSU is making significant contributions to the attainment of the Sustainable Development Goals of the United Nations. Despite our performance, we believe that VSU still has more to improve in its contribution to the SDG goals.

In line with this, please make yourselves available on **16 June 2022, 2:00-4:00 PM at OVPAF Conference Room** for a meeting to discuss the results of THE Impact Ranking and the next steps we are to engage in improving VSU's contribution to the attainment of the SDGs.

Your attendance is highly appreciated.

EDGARDO E. TULIN,
President
