

29 April 2019

**MEMORANDUM NO. 204**  
Series of 2019

**T O: Dr. Elwin Jay V. Yu**

**R E: Medical Examination for Incoming Freshmen**

As reflected in our academic calendar, registration/enrollment of incoming first year students for SY 2019-2020 will be conducted on May 2 – 31, 2019.

The first step in the registration/enrollment procedure is a Medical Examination to be undertaken at the VSU Hospital. This involves the following laboratory tests:

1. CBC
2. Chest X-Ray
3. urinalysis
4. fecalysis

As incoming first year students will be enjoying free tuition and miscellaneous fees, VSU will not collect from them any payment for the above medical tests undertaken from the VSU Hospital.

Enclosed are two (2) copies of the list of qualifiers to the VSU College Admission Test who are expected to enroll at VSU on May 2 – 31, 2019. The list will serve as basis in accepting enrollees for medical examination. You may post one copy at a conspicuous place where the enrollees can locate their names and corresponding numbers before they register with the VSU Hospital staff for medical examination.

For your guidance.

  
**EDGARDO E. TULIN**  
President

**Vision:** A globally competitive university of science, technology, and environmental conservation.  
**Mission:** Development of highly competitive human resource, cutting-edge scientific knowledge and innovative technologies for sustainable communities and environment.
