With Dr. Eliza D. Espinosa as Chairperson and the rest as members, please constitute yourselves into the Waste Management and Pollution Control Team to formulate and implement plans and programs pertaining to waste management in the university.

Specifically, the committee is tasked to do the following:

1. Identify and quantify the waste/pollutant streams being generated in the university;
2. Review the waste/pollutant management operations of the university;
3. Formulate and recommend university waste/pollutant management plans, programs and policies;
4. Spearhead and oversee the implementation of approved waste/pollutant management plans, programs and policies of the university.

Please be guided accordingly.
