

MEMORANDUM CIRCULAR No. 12 s. 2018

29 January 2018

**TO: ALL CENTER/ INSTITUTE DIRECTORS, COLLEGE DEANS, DEPARTMENT HEADS, AND STUDENTS CONCERNED**

**RE : SEMINAR – WORKSHOP on CLASSIFICATION AND REGRESSION TREES (CART)**

This is to inform you that the Department of Statistics, VSU will be conducting a two-day Seminar-Workshop on Classification and Regression Trees (CART) on February 16 – 17, 2018 (Friday and Saturday) at the Engineering Building (EB) Room 103, VSU, Visca, Baybay City, Leyte. This activity aims to provide the participants the knowledge and skills on using appropriate data analysis and interpreting results using CART.

CART is a tree methodology that is a classification technique that performs well across a wide range of situations. It is one of the simplest and most often used techniques for data classification.

The target participants are faculty, researchers, and students who have background in Simple Linear Regression Analysis and SPSS software. The participants are required to bring their own laptop and flash drive. Registration is free with a training kit, two (2) lunches and four (4) snacks.

Submit your confirmation on or before February 09, 2018 to the Department of Statistics via the following mobile numbers: 09102000484 (Mr. Virgelio M. Alao) or 09178524436 (Ms. May Ann S. Estoy), or thru e-mail at [virgelio.alao@vsu.edu.ph](mailto:virgelio.alao@vsu.edu.ph); [me.ann\\_s2y@yahoo.com](mailto:me.ann_s2y@yahoo.com). Reservation is on first-come-first-serve basis and accommodates 25 participants only.

For your information.
