MEMORANDUM NO. 94  
Series of 1987

TO: Mr. Dominador C. Ugsang  
Chief, Security Office

RE: Operation Satanic

The Department of Education, Culture and Sports has issued a warning in its Memorandum No. 115, s. 1987, dated June 4, 1987 about reported infiltration of some campuses in Manila by groups of young people called "Satanic Groups". Members of the group perform ritualistic weddings, baptisms, funerals or sacrificial rites in the name of Satan. Group members also indulge in brainwashing, child abuse, terrorism, violence, murder and mutilation of bodies.

Because of the danger posed by this group on human lives and their demoralizing effect on our youth, you are hereby directed to organize "Operation Satanic" and to do whatever necessary to thwart any attempt to infiltrate VISCA.

For strict compliance.
