MEMORANDUM NO. 614
Series of 2022

T O: All Unit Heads
R E: 2022 Employee Satisfaction Survey

In compliance with the VSU Quality Management System, the ODQA will be conducting the midyear survey for the 2022 Employee Satisfaction Survey. The survey aims to assess the employees' level of satisfaction of the VSU services and get insights into what drive or hinder their engagement. Furthermore, this provides voice and opportunity for employees to share their concerns and suggestions to possibly boost their engagement level.

Employees of different employment status were randomly selected to participate in this survey. With this, heads of the different units are requested to facilitate the accomplishment of the survey form by the selected employee. Please see the attached list of respondents.

This survey takes only 5-7 minutes to accomplish. You can access the form using this link:
