R E: Provision of technical electrical support during the Online AACUP Accreditation of Ten (10) VSU Programs on November 8-12, 2021

The Online AACUP Accreditation of 10 VSU Programs will be held on November 8-12, 2021. To enable the online accreditation to proceed smoothly, we need to ensure stable supply of electricity and internet connection on the accreditation dates. We would like to request for a standby generator in the upper campus of VSU to restore the electricity during brownouts especially in the offices/departments/units where online evaluation of documents will be done.

The following are the programs to be accredited and the contact persons:
