R E: Review and Revision of Existing VSU Organization Structure

To address the changing times, the university embraced the need to continuously improve the organizational structure to effectively and efficiently deliver its mandated functions in conformity with government policies, rules and regulations. Hence, you are directed to initiate the review and revision of the existing VSU Organizational Structure that was approved by the Board of Regents (BOR) per BOR Resolution No. 52 series 2013 dated Sept. 6, 2013.

The proposed structure should be based on VSU mandate, current operation and level/typology and in accordance with the final version of PASUC-DBM-CHED-CSC's Enhanced Revised Organizational Structure and Staffing Standards for SUCs (ROSSSS).

It is expected that the proposed structure will be submitted for University Administrative Council's (UAdCo) deliberation before approval by the BOR during its next regular meeting.

For your action and cooperation.

President
