RE: SALARY STANDARDIZATION

The implementation of the Salary Standardization for government employees has been set for October 15, 1989. It will cover all government employees - regular, temporary, casual or contractual. We are watching for the release of the guidelines. As soon as they are available, all concerned offices shall prepare the necessary papers and shall see to it that payment is effected the earliest possible.

We will keep you posted on further developments. The cooperation of every ViSCA employee is enjoined.
