RE: **Collection of data on biomass and field inventory in VSU Forest Reserve**

You are directed to constitute as two (2) teams to conduct collection of data on biomass and field inventory in VSU Forest Reserve at Mt. Pangasugan, Baybay City, Leyte as requisite for Certification for "Avoided emissions from deforestation". Data will be used in future project proposals for funding support.

Please provide the undersigned a report on your activities.

JOSE L. BACUSMO
President
