MEMORANDUM NO. 79
Series of 1989

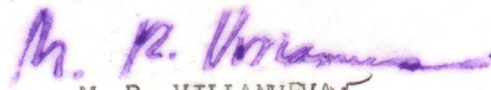

T O: Dr. Rebecca Santiago
Dr. Romeo Raros
Mr. Paciano Quirol
Mr. Jacob Glenn Jansalin

R E: PUBLIC DISTURBANCE

This is to remind you as per our discussion in the shed that there shall be no public disturbance resulting from your protest action. You must consider that there are students and faculty members who have chosen to continue with their classes. There are administrative officials and staff who are trying to do their work for ViSCA and its employees.

May I also reiterate that your mass action on the campus is illegal without any permit. Nevertheless, as we agreed today in an informal dialogue in the shed, we have been tolerating your stay in the shed provided College rules are observed.

For strict compliance.
